This is the big Florida Ski Council trip with over 500 skiers from all corners of Florida. It includes dinner parties, races, and great fun. You will always have someone to ski with or enjoy evenings with in Steamboat Village. Join us on an adventure to the Wild West! Don't forget your costume! The theme is Wild West.

Steamboat is located on the windward side of the Park Range just before the Continental Divide. So if you know your weather, you'll know that the snow-laden clouds from the Pacific have to dump their snow on Steamboat so they can get over the mountains. With all that snow nearly guaranteed, the best time to hit the slopes for some of Steamboat's famous champagne powder is in January when Mother Nature dumps 94.5 inches. On average, they get 27 feet of snow each year!

LODGING: *The Lodge at Steamboat offers moderate 1 to 3-bedroom condominiums at the base of Mt. Werner only 400 yards from the Gondola, shops and restaurants. Units feature fully equipped kitchens, fireplaces, color cable TVs, private balconies and bathrooms adjoining each bedroom. Property amenities include a private shuttle, outdoor hot tubs and heated pool, and complimentary on-site ski valet service and storage.*
