Nestled in the heart of Utah’s picturesque Wasatch Mountain Range and only 35 minutes from the Salt Lake City Airport, Park City Mountain Resort boasts 7,300 acres of “The Greatest Snow on Earth,” 348 trails, 41 ski lifts, and is the largest ski area in the U.S. Nearby Deer Valley Resort is a luxury ski destination that adds another 2,000 acres and 101 trails for skiers only, as they do not allow snowboarders. This trip allows you to enjoy both of these fantastic resorts, and sleep at an altitude friendly elevation.

Originally founded as a silver mining town in 1869, Park City has evolved into a luxurious mountain resort getaway. In 1988, the U.S. Ski and Snowboard Association made Park City its home, and the 2002 Olympic Winter Games took place in the area. Winter recreational activities include skiing, snowboarding, bobsledding, ski jumping, snowmobiling, snowshoeing, cross-country skiing, snow tubing, a zip-line and ice skating. Park City Mountain recently added an alpine coaster on the mountain for year around fun.

Historic Main Street features quaint specialty shops, more than 30 dining establishments and bars (more than 150 in town), art galleries and antique stores. Sixty-four buildings in Park City are listed on the National Register of Historic Places. Moviemakers, studio executives and film buffs from around the world flock to Park City late each January for the annual Sundance Film Festival.

LODGING: JSC will be staying at the Edelweiss condos, just minutes from downtown Park City and 2 blocks from the Park City Mountain. All condos are 2 BR / 2 BA units and include a ski storage room on the ground floor for each unit. There is also an outdoor heated pool and hot tub to relax in and soak your aching muscles. Other amenities include free wi-fi, a common area laundry facility, and private men’s and women’s saunas. It also is on multiple free city bus routes to both Main Street Park City and two minutes to the base of Park City Mountain Resort.
